To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

I am requesting a copy of the contract signed between the California State University, Fresno (Fresno State) Athletic program and the vendor who provided services for the 2018 Fresno State Women's Basketball tour to Europe (Italy, Switzerland, France) in August 2018. I am also requesting a copy of the final itinerary for the trip.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Sincerely,

Dear Brian Ratzliff:

Pursuant to the California Public Records Act, I am responding to your request for "a copy of the [itinerary and] contract signed between the Fresno State Athletic program and the vendor who provided services for the 2018 Fresno State Women's Basketball tour to Europe ... in August 2018."

We have identified records responsive to your request. The documents total seven (7) pages and include records from The California State University, Fresno Athletic Corporation. Please note that the CSU standard duplication rate has been established at 20 cents per page, irrespective of whether records are produced in hard or electronic format. In this instance, there is no charge as there was no need to convert/copy the documents to a PDF in response to your request. The records were already in that format and are attached to this email.

If you have any questions, I can be reached via email or by phone at 559.278.7461.

Sincerely,

Esther
